Stomach Troubles.

When the nerves become irritated or exhausted and the brain is weary, the stomach suffers. It is the most common cause of all the troubles of the system. It is the most common cause of all the troubles of the system. It is the most common cause of all the troubles of the system.

THE NEW YORK WORLD

THIRDS-A-WEEK EDITION.

Practically a Daily at the Price of a Weekly.

The striking and important events of the last year have established the overwhelming value of The Third-A-Week World to every reader. For an almost nominal sum it has kept its subscribers informed of the progress of all our wars, and, moreover, has reported them so promptly and fully as if it were a daily. With our interests still extending throughout the world, with our troops operating in the Philippines, and the great Presidential campaign, too, to add, its value is further increased.

The motto of The Third-A-Week World is improvement. It strives each year to be better than it was the year before, and public confidence in it is shown by the fact that it now circulates more than twice as many papers every week as any other newspaper, not a daily, published in America.

We offer this unequalled newspaper and The Mirror together one year for \$2. The regular subscription price of the two papers is \$2.50.
